

Carbon Amino Magnesium

Guaranteed Analysis

Water Soluble Magnesium (Mg) 2.50%

Derived from: Magnesium Sulfate, Vegetable Protein Hydrolysate

NOTICE TO BUYER: This product is intended for uses as a professional plant food only. Users must exercise all due professional judgment and caution when applying the product under their own particular growing conditions.

Limitations of Warranty and Liability: Wedgworth's Inc. and any other seller, warrants only that this product conforms to the chemical description on the product label. No other warranty, express or implied, as to the merchantability, fitness for a particular use, or otherwise shall apply. Purchaser's exclusive remedy for loss or damage related to the purchase and/or use of this product shall be limited to the refund of the purchase price only. By using this product, you are deemed to have accepted the terms of this notice.

APPLICATION RECOMMENDATIONS:

Carbon Amino Magnesium can be soil or foliar applied. It may be tank mixed with other fertilizers or agricultural chemicals after conducting a jar test for compatibility. Always treat a small test area with any experimental blends to determine potential phototoxicity before making general applications.
